The College offers an annual Instrumental Scholarship of £300 open to all first and second year undergraduates reading any subject. The scholarship, which will be effective from Michaelmas Term and available for one year, will be made on the basis of one twenty minute recital or two pieces not exceeding 20 minutes in total. Auditions will take place in the Pichette Auditorium from 2.00 pm on Wednesday 4th May (2nd week). Any instrument, apart from the organ and including the voice, may be offered; candidates must provide their own accompanist if necessary and we would strongly encourage you to practice beforehand with your accompanist. Previous applicants, and the present award holder, are welcome to apply in subsequent years.

Applications, in writing, stating the candidate’s instrument, should be addressed to the Deputy Academic Registrar, Mrs Lynn Wilkinson, and should reach her by Wednesday 26th April (1st week).

The College reserves the right not to make the award if it is deemed that a suitable standard has not been reached.

Nancy Braithwaite,
Academic Director.
