

When I joined Pembroke last year, rowing quickly became one of my favourite parts of Oxford life. I am so grateful to be part of such a welcoming and supportive community.

ALICE EASEY (2023, MODERN LANGUAGES)
WOMEN'S ROWING CAPTAIN

Sport played a very significant part in my Pembroke experience. Oxford provides a unique opportunity to play a wide variety of sports with a broad church of beginners to Olympians. Most importantly, it leaves you with experiences and friendships that last for life. We need to make sure the next generation has the opportunity to experience and enjoy College sport as we did.

MATTHEW KIRKBY (1987, LAW)

Thank you

for your interest in securing the future of sport at Pembroke.

Sports Fund

A Note from the Master...

Sport plays an enormous role in student life at Pembroke. We pride ourselves not only on the great success of our teams and their reputation across Oxford, but on the communities built and strengthened through sport. Students of all backgrounds and experiences are brought together to celebrate hard work and achievement, and to encourage each other in victory and defeat. To secure the future of sport at Pembroke, we need to raise £500,000.

As well as the mental and physical benefits, I've been lucky enough to meet some of my best friends through College sports.

ISABELLA TROUP (2023, MODERN LANGUAGES)
JCR SPORTS REP

Our Vision...

As we look to our next 400 years, we want to build on decades of sporting success. We want to foster an environment which allows our sportspeople to excel. We want to ensure that all students have equal opportunity to take part in sport, without barriers to access.

Facilitating Success...

Over recent months we have been able to resurface our hard courts for the first time in 16 years, and to provide new tennis nets, football goals and basketball courts.

We are already feeling the impact on our community, with more and more students choosing to get involved with College sports, coming together to train, to build connections and to develop skills.

Providing high-quality sports facilities and equipment enables our teams to thrive.

- Freshers' Netball on new courts, 2024

It has been lovely to watch the club grow this year – the courts have made a huge difference and we are so grateful for the continued support of alumni.

REBECCA MCCASH (2022, BIOLOGY)
NETBALL CAPTAIN

Opportunities for Support...

Giving students the chance to take part in sport has a significant positive impact on their wellbeing, both physical and mental, and we are committed to ensuring that our students have the support and spaces to excel in a broad range of activities. Your generosity will secure the future of sport at Pembroke.

Sport at Pembroke brings together students of all ages and abilities and is a huge part of so many peoples' university experience.

ROHAN SAMRA (2023, E&M)
JCR SPORTS REP AND FOOTBALL CAPTAIN

- Football Team, 2020
