

Cyber Strategy & Technology Studies Working Group

Michaelmas 2023 Term Card

Time: 3:00 - 4:00 PM on Wednesdays during Term-Time

Location: Nuffield College/Zoom (hybrid format)

Postgraduate students, fellows, staff and faculty from any discipline are welcome. This group aims to foster frequent interdisciplinary dialogue across Oxford and beyond about new developments in critical technologies and their impacts on a broad range of social science and empirical fields.

Please contact Elisabeth Siegel at elisabeth.siegel@politics.ox.ac.uk in advance to participate or with any questions.

Discussion topics will be finalized and required/optional readings will be sent out a week in advance. You do not currently have to be affiliated with the University of Oxford to attend and participate in discussions.
