GENERAL FINANCIAL INFORMATION

Some financial information is relevant to all students, some is specific to Undergraduates, Graduates, and/or Visiting Students, so please ensure you read all the information in this document relevant to your particular status.

Payments

Students will be sent a batters bill (invoice) prior to the start of each term, and payment is due by the end of Week 1 each term.

All students are required to pay fees for the full year by the end of Week 1 in Michaelmas term; overseas students and graduate students however should pay their fees by 11th September 2020.

Accommodation and meal charges, if relevant, are batted (invoiced) termly.

The University reserves the right to exclude students who fail to pay their fees on time from its premises and facilities.

US and Canadian loans

US federal student loans are administered centrally by the US Loans team. The University of Oxford is eligible to certify loan applications for the Direct Loan Program. US students wishing to take out a federal student loan must read through the information pages on the University website before starting the application process.

Further information for undergraduates on American loans is available here and for Canadian loans here.

Students with Children or Dependants

If you have dependants (a partner or a child) or live with other family members, you will need to take into consideration the increased costs of childcare provision, food, clothing etc. More information and advice is available from the living costs page. A number of additional sources of childcare funding are available, for further details visit this website.
Students with Disabilities

Students with disabilities should contact the University’s Disability Advisory Service for information on any funding available. Contact details and more information about the provisions and facilities for students with disabilities can be found on the University website.

Graduate Fees and Funding

It is essential that all your funding to cover course fees, maintenance and other expenses is secured before you commence your study at the College. For this reason, it is important that you complete the Financial Declaration that has already been sent to you. If you have not already done this, please contact Alison Franklin urgently. Please note, for some courses the Financial Declaration must be returned to the department and not the College; Alison will be able to advise you if you are unsure.

Course Fees

The course fees paid are for the provision of tuition, supervision, academic services and facilities by the University (including your department or faculty) and the colleges, but do not include residential or other living costs.

These fees vary with the nature of study undertaken.

The 2020-21 course fees can be found on the University website.

For Home/EU, self-financing students and Overseas students the course fee has to be paid to College in full.

All students are required to pay fees for the full year by the end of Week 1 in Michaelmas term; overseas students and graduate students however should pay their fees by 11th September 2020.

MBA fees

Course fees are payable to the Said Business School unless you are taking out a US loan, in which case they are payable to the College.

Payment of Fees

When you have received your fee invoice, please send a bank transfer, quoting your name as a reference, to:
Pembroke College Bursars A/C  
Royal Bank of Scotland  
Drummond House  
1 Redheughs Avenue  
Edinburgh  EH12 9JN  

Account number: 12085750  
Sort Code: 16-10-15  
Swift Code: RBOS GB 2L  
IBAN no: GB76 RBOS 1610 1512 0857 50

If for any reason you are not able to meet the payment date of 11th September, for example if you believe that your funding is such that it makes payment of full fees in advance for the year impossible, please email the College Accountant explaining your reasons.

**Advance payments**

If residing in College accommodation you will be required to pay accommodation costs in advance each term, by the end of the 1st week. If this causes a problem in terms of the timing of receipt of scholarship and other awards, you should indicate this on the Financial Declaration previously sent, and contact Alison Franklin on arrival.
