INSURANCE

Pembroke College is working in partnership with Endsleigh to provide all students resident in College accommodation with some contents insurance.

Visiting Students (see below) are also offered an optional, more comprehensive insurance package.

Contents Insurance

By partnering with Endsleigh, the No.1 student insurance provider, we’ve arranged contents insurance for all our students staying with us (policy number HH1490).

It is important all students confirm their cover to ensure you understand what is and isn’t covered. See:

✓ What is and what isn’t covered
✓ Key exclusions - where cover isn’t provided
✓ Policy excess – the amount you pay when you make a claim
✓ How to make a claim
✓ Personalise cover

We understand students have a limited budget so Endsleigh have launched brand new, unique student insurance options. They have been designed to cover the risks that you may encounter whilst living in student accommodation and away from home.

The College provides information on the students resident in College accommodation that will be covered by this insurance.

How Endsleigh use your personal information

Endsleigh hold personal information in accordance with the Data Protection Act 1998 and any subsequent regulation. The information supplied to Endsleigh by the College may be held on computer. Endsleigh use a variety of security technologies and procedures to help protect personal information from inappropriate use, and will continue to revise procedures and implement additional security features as new technology becomes available.

Endsleigh will retain the information provided to them by the College to enable them to identify you in the event that you make a claim. Endsleigh will use this information to provide you with the best premiums for other products and services should you contact Endsleigh.

Endsleigh will not share your personal information with third parties unless it is necessary for the handling of your claim or where they are required or allowed to do so by law.

For access to the information Endsleigh holds about you, please write to Data Protection Officer, Endsleigh Insurance Services Ltd, Shurdington Road, Cheltenham, GL51 4UE.
Visiting Students Insurance

It is **essential** that Visiting Students take out adequate insurance for the duration of your period in the UK and College. The College will not take responsibility for compensating students with regard to claims that would have been covered by personal insurance arrangements (over and above the cover provided by Endsleigh, as above). This provision extends to circumstances where a student needs to claim with regard to theft (again, where not covered by the Endsleigh scheme) and/or damage relating to the action of third parties (including other students).

Experience in the past has shown that it can be difficult for our Visiting Students to obtain the requisite insurance cover, at a reasonable price, before departure. College therefore has an arrangement with a UK insurance firm, Gallagher, whereby certain insurance cover is provided for you, **with the cost payable by you to the College**. The cost of this insurance per person does vary but is expected to be in the order of £12, based on last year’s cost. Please see below for details of the cover offered.
